Cloud Sketching: Creative Drawing for Cloud Spotters and Daydreamers - Look Up! Martin Feijoo

"When I was a child, I was told that clouds' shapes were created by expert balloon twister clowns who live in the sky, so that they can keep entertaining children." - Martin Feijoo

Look up at the clouds. What do you see? What do you sketch?

As a child, you'd spend hours looking at the sky on a summer day, watching clouds pass, and identifying shapes, animals, scenes, and more. "That one looks like a dinosaur!" is just one of the ways that these muses in the sky can be perceived. With *Cloud Sketching* by Martin Fiejoo, it's time to take what you see and use it to create wonderful, whimsical art right on the photographs.

In *Cloud Sketching*, you'll discover Fiejoo's general technique for drawing imaginative creations over photographs of clouds. Then, enjoy a selection of completed cloud sketches from the author's wildly popular art series *Shaping Clouds*. Take on the task of finishing the included partial cloud sketches. Explore the freedom of a host of "blank" clouds for doodling your own designs. Finally, you'll find blank journal pages where you can add in images of clouds from your own life on which to sketch.
