Deadly Crossing: A Tom Dugan Novel R.E. McDermott
Sexual slavery. Human Trafficking.
A crime all around us, hidden in plain sight.
The story is fiction. The tragedy is real.

A phone call. A common enough event, sometimes welcome, sometimes annoying, but seldom life changing. Or so we assume. But assumptions are dangerous things, and the reality is we all live one phone call away from disaster. One muted buzz from learning a lifetime of memories have disappeared in a raging house fire. One cheerful ring away from news of a tragic accident.

Or worse.

And so it is for Tom Dugan, rolling through the London night, the woman he loves in the taxi beside him. Life is good by any measure -- until his phone rings, alerting him to the arrival of two old Russian friends with a very big problem.

Dugan's attempts to help his friends rescue an innocent girl from the Russian mob plunge him into a world he'd scarcely imagined, endangering him and everyone he holds dear. A world of modern day slavery and unspeakable cruelty, from which no one will escape, unless Dugan can weather a *Deadly Crossing*.

Geraldine Louis:

As we know that book is significant thing to add our expertise for everything. By a publication we can know everything we would like. A book is a list of written, printed, illustrated or even blank sheet. Every year seemed to be exactly added. This e-book Deadly Crossing: A Tom Dugan Novel was filled in relation to science. Spend your extra time to add your knowledge about your science competence. Some people has different feel when they reading some sort of book. If you know how big benefit from a book, you can really feel enjoy to read a reserve. In the modern era like at this point, many ways to get book that you wanted.

Timothy Rhine:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's heart or real their interest. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Deadly Crossing: A Tom Dugan Novel can make you really feel more interested to read.
