Bullying among teens is epidemic. Many teens are harassed on a daily basis by mean text messages(cyber bullying), sexual harassment, teasing (verbal) , hitting or punching (physical) and some are guilty of harassment without knowing they are perpetrators of illegal acts. Now teens will understand that bullying can have serious long-term consequences on self-esteem and be the root of antisocial behaviors, dropping out of school, health problems and even suicide.

Hey, Back Off! by Withers and Hendrickson is the first comprehensive teen guide to harassment prevention. It uses narrative real life examples and stories that are relatable to teens, while incorporating strategies and coping tips for not only teens, but also parents and educators to help stem this growing epidemic that is affecting 60-80 percent of school children.
