Sarah Diemer

Love Devours: Tales of Monstrous Adoration Sarah Diemer
We're all afraid of monsters. They coil in our subconscious, slither along the edges of thought. Still we creep to the crackling fire to whisper their stories. Love Devours is a collection of new fables for queer women, extracted from the bones of the dark: ominous fairy tales, sinister myths, dystopias rife with nightmares. But in the midst of monsters, love still struggles to find the light. A witch traps a beast of the sea; a corpse is reanimated out of love; a muse drains her supplicant; a priestess worships in a church of wolves. Six monster stories lurk within these pages. Six heroines, sometimes monsters themselves, unearth romance, rebuild worlds, shatter spells. Their courage unveils the secret faces of humankind's greatest compulsions: fear and love. Come into the dark and be devoured. Love Devours: Tales of Monstrous Adoration is Sarah Diemer's first anthology, a collection of queer dark fantasy and science fiction stories.
