The Forest Through: Where Spirits Dwell Joseph W Scott
“The Forest Through” is a collection of poetry that celebrates nature. It has a Native American style and “New Age” feel. It is a passionately written account of a spiritual journey through the natural world. "The Forest Through" concentrates on seeing "through the trees". It aspires to help one see beyond what is right and front of them. It promotes the idea that all life on Earth, no matter how small, has a purpose.
