Bet On Me: Leading and Succeeding in Business and in Life Annette Verschuren

In *Bet On Me*, entrepreneur Annette Verschuren lays out her surprising and inspiring philosophy for what it takes to lead and succeed in today's economy: tenacity, the willingness to embrace risk and an unwavering commitment to remain true to yourself, no matter how unorthodox you may seem. Drawing on her experiences as a Cape Breton farm girl who went on to lead Home Depot Canada's expansion from 19 to 179 stores, among other business ventures, Verschuren's bold vision will change the way you approach your work and your business. The book's key message: modern leadership is not about learning skills and techniques in order to become someone else. Rather, transformational, authentic leaders achieve break-through results when they learn to trust in, listen to, and fully be themselves.

Bet On Me takes readers on one woman's journey of authentic and transformational leadership. And when it comes to taking the path less travelled, there could be no better guide. Verschuren shares her own remarkable rise to the upper echelons of the corporate world, while offering practical life, management and leadership lessons for entrepreneurs and other business readers—anyone looking to reinvigorate their life or their career.
