Confessions to the Air: A Collection of American Haikus Brady Michael Douglas Kennedy
The marriage of Western poetic verse and traditional Haiku exude from the pages of Confessions to the Air: A Collection of American Haikus by Brady Kennedy. Deviating from the traditional Japanese Haiku 5-7-5 verse, Confessions to the Air promises to open the reader's third eye and take them on a spiritual journey into the modern world. Comparable to the simplistic views of Gregson, or the creative license of Mountain, Brady Kennedy's vision of combatting contemporary issues that often the American narrative, with just three lines, is sure to impact all generations.?Confessions to the Air is "minimalist impressions of the moment," that are presented to evoke emotion in the reader through the novel's imagery that is set to convey the epitome of American Haiku.

Brady Kennedy's personal struggles are evident in the simplicity of the flow of verse, mixed with the complexity of the content. While tackling modern issues such as: sexuality, addiction, mental health, and religion, Kennedy's satirical spin on the deep rooted problems of modern America is thought-provoking, yet light-hearted and carefree. Confessions allows for the reader to feel enlightened, without experiencing the difficulty of analytical interpretation. The purity of each verse transcends the hard-nosed, pound the pavement fodder of the modern American narrative leaving a sense of comfortability, relatability, and awareness.?Brady Kennedy's fresh perspective and leading edge imagery exhibits all of the elements of the great American poet.
