Flicker (The Chronicles of Whyman) (Volume 2)

W. R. Harris

Flicker (The Chronicles of Whyman) (Volume 2) W. R. Harris
Whyman and his crew face physical and mental challenges beyond their wildest dreams, or nightmares, as they continue their exploration of Sworld. They must come to grips with one fundamental question. What is the true definition of intelligent life? Is it the creation of language? Is it teaching one's offspring? Is it abstract thinking and the ability to question one's existence? Is it the formulation of math? Must the life form travel beyond the confines of its home planet? Or, for that matter, does the intelligent being even have to be alive? Flicker is the second-in-a-series science-fiction novel that chronicles Whyman’s adventures on Sworld.
