Heart and Home: Rooms That Tell Stories Linda O'Keeffe
Innovative tastemakers from the worlds of interior design, architecture, fashion, and art open their doors to show us how to fill our homes with personal flair. *Heart and Home: Rooms That Tell Stories* offers a panorama of the varieties of forward-looking interior design today—from an eclectic, book-filled New York loft in a 1920s factory building to an updated and art-filled "Old Hollywood" estate in Beverly Hills to a supremely serene haveli in Udaipur, India, and more—but all imbued with character, originality, and personal meaning for their creative and visionary inhabitants, providing inspiration to us all. Author Linda O’Keeffe gives an intimate tour of the domiciles of some of the most celebrated and innovative figures in the worlds of interior design, architecture, fashion, and art. Here, home is defined as an emotionally arresting space that nurtures and inspires creative forces such as interior designer Kelly Wearstler; architects Calvin Tsao and Zack McKown; fashion designer Wolfgang Joop; John Jay, creative director of Wieden + Kennedy; antiques dealer Ray Azoulay; glassware designer Deborah Ehrlich and wood sculptor Christopher Kurtz; architect and interior designer Lee Ledbetter; and furniture and interior designers Gene Meyer and Frank de Biasi, among others.
