Learn Your Notes - Saxophone: Major Keys Scott D Vaden
Learn Your Notes - Saxophone - All Major Keys is the most economical and a great way to begin learning how to play the saxophone. This book contains all 15 major keys in one book. There are many different teaching styles and approaches when it comes to learning how to play a musical instrument, but they all have some basic building blocks to such as knowing the musical notes, the position those notes are found on the musical staffs, the fingering positions for your particular instrument and in the cases where the instrument is played with your mouth, the position or ambature of your mouth and breathing techniques. This program is designed to help you with those basic building blocks for becoming better acquainted with your musical instrument and to help you play the notes it was designed to play. It can be used by beginners and more advanced players as a refresher. This is a book you will want to keep and reference for as long as you play the saxophone.
