Let the Magic Begin Cathy Lee Crosby
Let the Magic Begin is the powerful, inspiring story of Cathy Lee's journey back into the realm of what she calls the Bliss Zone. It is her totally entertaining, yet heartfelt account of how life forced her out of the "march" of reality, and into that magical place we all knew as children where pure energy, creativity, and joy abound, and where "coincidences" open up a whole new world of possibility in each and every moment. With grace, humor, and courage, she re-ignites, step-by-step, the magnificence of who we really are. Cathy Lee not only shares with us the facts of what happened during this incredible six-year odyssey, but also the actual process of how she arrived back at the "center" of things and back to her connection with the very core of her being. As she struggles to find the answers to the two questions that had eluded her since childhood - Who am I? and Why am I on this earth? - you will eagerly join her in your own magical quest to fulfill your destiny.
