Does it make sense to believe in a loving God? Even in the face of nature’s calamities and human atrocities? If God is all good and all powerful, why would He allow these? Does any of this pain and suffering have meaning? How? Sacred writings speak of a war between good and evil--giving insights into why it started. Love’s Playbook is a spiritual fantasy built on the outline given--the bare bones fleshed out and given breath. Read and fall in love with a God so good and so powerful that evil is allowed to exist and thrive. Get the big-picture perspective. Read and understand why we suffer, and draw your own conclusions. This is the first book in a new series.
