Shut the F*ck Up & Color Adult Coloring Book: Funny Swear Words Coloring Book for Grown Ups (Swear Word Puzzles and Coloring) (Volume 2) Ura Gonna Laugh
This coloring book is full of swear-words and cursing filled one-liners and jokes that will make you laugh while you are coloring. It is very relaxing to be able to swear yourself into a coloring coma....come try it and see what I'm fucking talking about. Come home from working with jerks all day by using this funny coloring book to relieve your stress. Think of your horrible co-workers while you color in these funny, insulting one-liners that are filled with bad words. Other coloring books for adults are so boring...don’t be like all the other adults! Remember when that old man at the grocery story called you “weird” and “disturbed”? Well he was right about you...you ARE weird. Embrace your oddness and use this coloring book filled with swear words and rude one-liner jokes. The next time one of these “normal” adults calls you “weird”, prove them right by handing them a hand colored, insulting-curse-filled coloring page. If this doesn’t make you look “eccentric” and “weird”, I don’t know what will.
