From the same pseudonymous author that brought us *Manon la Fouetteuse; or, the Quintessence of Birch Discipline*, brings us herein a further collection of flagellatory delights. Returning to but not constrained by boards of Manon, Rebecca Birch recounts the humiliatory punishments applied to those wantonesses and the unflinching desires of those who wield the rod, birch, and whip, upon their pliable and pert posteriors.

This gem of Victorian erotica, which includes graphically told revelations through open correspondence and sumptuous prose, brims with a sexual energy displayed by those truly fascinated in the art of disciplining, and will be sure to pique the interest of those a fan of the genre. Swish!
