*Ron Regé*

**Against Pain** Ron Regé

**Short stories from the radiant "cute-brut" world of a truly remarkable artist**

*Against Pain* is the first collection of multipage anthology pieces by Ron Regé, Jr. The storytelling side of his expressive work is featured in these comic strips gathered from *McSweeney's*, *The New York Times*, *Kramers Ergot*, *NON*, *Rosetta*, *Arthur*, *The Comics Journal*, and Drawn & Quarterly's anthology. Suicide bombers, art appreciation, a Lynda Barry "cover," and even a Tylenol-sponsored comic about pain are brought together under the theme of suffering and
how people cope with it. *Against Pain* also includes the alt-comics zine classic *Boys*:a twenty-two-page collaborative comic-considered by many to be Regé's finest work-illustrating the "lust life" of a friend in explicitly honest and hilarious detail.
