- Fighting Back

Pornography has become such a pervasive problem in today s culture that every parent or spouse needs to be knowledgeable, aware, and on the offensive in order to minimize or prevent its destructive effects from harming their loved ones. Eyes Wide Open is an edited version of a six-part series on pornography written by husband and wife team Joseph Corbo, M.D., and Susanna Ryan, M.S.N., R.N.C.S. for Family Foundations, the magazine of the Couple to Couple League. These experienced counselors clarify that no one is immune from this problem, provide practical steps to help protect your family, explain the signs of addiction and what steps to take when one is uncovered, and offer ideas on becoming more aware of even soft-core stimuli and turning back towards God s grace and purity.
