Since 1946, Facility Design and Management for Health, Fitness, Physical Activity, Recreation, and Sports Facility Development has been a cornerstone resource for facility designers, users, and managers. Now the latest edition of this bestselling text has been updated and expanded into two volumes. This volume incorporates the first twelve chapters of the previous (11th) edition and offers new chapters on policy development, ethical decision-making, and event management. Along with the companion book, Facility Planning and Design, this comprehensive text is essential for professionals in facilities design and management.

Endorsed by AAPAR's Council on Facilities & Equipment.
