Hotel, Restaurant & Travel Law

Karen Morris, Norman Cournoyer, Anthony Marshall

Hotel, Restaurant & Travel Law Karen Morris, Norman Cournoyer, Anthony Marshall
For students in both Hospitality, Travel and Tourism courses as well as specialized Paralegal courses or electives, this text addresses legal issues confronted by managers in the hotel, restaurant, travel, and casino industries. The emphasis is on prevention of legal violations. By reading the book, managers can appreciate and identify what actions and precautions are necessary to avoid, or at least minimize the number of lawsuits. The book uses the case method, long recognized as a helpful approach to learning and debunking the often-complicated discipline of law. Readers will study decisions from actual cases in which hospitality establishments were sued and what decisions were made, as well as what legal precedents were cited. The 6th edition has been completely updated with the latest decisions as well as classic cases that remain persuasive today. The "Preventive Tips for Managers" feature at the end of each chapter reviews the key points and concepts addressed. A chapter on Casino Law, a developing branch of the Hospitality field is also featured in the new edition. This specialty area has numerous unique legal applications that allow students to explore various employment options.
