Isabella's Shoes

Jennifer Robinson

Isabella's Shoes Jennifer Robinson
Isabella's Shoes is the story of a 4-year-old girl who just loves shoes. She shares her daily adventures through this love. Isabella also enjoys colors and her shoes come in every shade of the rainbow. Children will be able to learn all about colors and the different functions and purposes of shoes through Isabella's experiences. This positive and fun learning book is set near a beach, where Isabella lives with her family. Her curious and joyful personality shines through in Jennifer Robinson's children's story. Author Bio: Jennifer Robinson, of Oxford, Mississippi, says her inspiration comes from her two children, Haley and Drew, along with her grandson, Lane Wyatt. "Life inspires me and living it through the eyes of a child is one of the most rewarding experiences a person can have each day." She is a consultant in the hospitality industry and is currently writing the next book in her Isabella series.

From reader reviews:

John Bennett:

Nowadays reading books be than want or need but also turn into a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The data you get based on what kind of guide you read, if you want attract knowledge just go with education and learning books but if you want sense happy read one together with theme for entertaining for example comic or novel. Typically the Isabella's Shoes is kind of reserve which is giving the reader erratic experience.

Debra Unger:

Information is provisions for people to get better life, information today can get by anyone with everywhere. The information can be a understanding or any news even a huge concern. What people must be consider any time those information which is in the former life are hard to be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you obtain the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen in you if you take Isabella's Shoes as the daily resource information.

Mary Peterson:

Reading can called brain hangout, why? Because if you find yourself reading a book specially book entitled Isabella's Shoes your mind will drift away trough every dimension, wandering in every aspect that maybe unidentified for but surely might be your mind friends. Imaging every word written in a book then become one application form conclusion and explanation in which maybe you never get ahead of. The Isabella's Shoes giving you an additional experience more than blown away your head but also giving you useful details for your better life on this era. So now let us demonstrate the relaxing pattern is your body and mind is going to be pleased when you are finished studying it, like winning an activity. Do you want to try this extraordinary shelling out spare time activity?

Elizabeth Nicholson:

Is it you who having spare time subsequently spend it whole day by watching television programs or just lying down on the bed? Do you need something new? This Isabella's Shoes can be the response, oh how comes? It's a book you know. You are therefore out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these publications have than the others?
