Kneel Or Die (The Kurtherian Gambit Book 7) Michael Anderle
The ongoing story that is Bethany Anne and her team!

Can you say '*Die Terrorist, Die?*'

I took time to sleep last night. For anyone who hasn't read the first 6 books in this series, you won't understand what that means. For the rest of you, you know how hard that was.

I love, love ,love this series! I don't want it to end! Bethany Anne just keeps getting better every book. And her group of people gets larger and larger and more improved all the time.
I love how devoted they are to her and her cause.

If you haven't read the first 6 books, you are missing out on a
great series. It's sci fi and paranormal at its best.
**Please note, as mentioned in a review, there is flagrantly foul language in these novels. The main character does not have a problem with cussing, just uninspired cussing.
