LIVE AND WORK: MODERN HOMES AND OFFICES: THE SOUTHERN CALIFORNIA ARCHITECTURE OF SHUBIN + DONALDSON Thom Mayne
Live + Work is a visually immersive monograph of the work of Shubin and Donaldson Architects, whose creative commercial spaces and high-end residential projects draw on the complex vernaculars of Southern California's cultures and traditions. Organized around the organic process of practice, the complex genealogy of projects, and the flow of influence, this monograph examines the contemporary conditions by which we live and work, and how those terms are increasingly blended. Visuals of the select projects are supplemented with drawings, sketches, diagrams, interviews, and essays by Thom Mayne and Joseph Giovannini.
