When Danny and Trace Sanders, two hunky cowboy tiger shifters from Texas, come into her shop in Delight, North Carolina, she knows she should hate them, but her body yearns to be their mate. If she follows her heart, she fears she'll be cast out of Panther Cove. Trace and Danny Sanders always knew they were different. Even their adoptive parents were at a loss to explain how both boys could shift into tigers. Danny is on a quest to find others like him, but Trace is determined to run their ranch and keep the secret. Too bad the moment they set their eyes on the long-legged, black-haired beauty, their bodies start to shift, and they know they have to claim Sasha. What can they do to convince her that they aren't the enemy she thinks they are? Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
