Perfect for instructors who take a practical, skill-building approach to teaching leadership, the eighth edition of LEADERSHIP provides an ideal balance of essential theory and real-world applications. Andrew DuBrin, a highly respected author and consultant, incorporates the latest research on leadership and current business practices from academic journals and popular periodicals. The text provides students with a strong practical foundation by introducing leaders they can relate to and reinforcing their knowledge with frequent skill-building activities. Key updates include new opening vignettes and end-of-chapter cases, numerous additional skill-building exercises, and a role-playing or other experiential activity linked to all end-of-chapter cases. In addition, LEADERSHIP is available with MindTap for the first time. Mindtap is a personalized, fully online digital learning platform of authoritative Cengage Learning content, assignments, and services that engages students with interactivity while offering you a choice in the configuration of course work and enhancement of the curriculum. MindTap guides students through the course curriculum via an innovative Learning Path Navigator where they complete interactive self-assessments reading assignments, annotate your readings, complete homework, and engage with quizzes and assessments.
