But he has allies: Eliza Jenkins - known to audiences as 'Thomasina Thumb' - and the larger-than-life 'clown' in the colourful coat.Uncovering a trail of injustice and corruption, the Doctor and Kybo soon find themselves on trial for their lives. 1.3 HARVEST OF THE SYCORAX by James Goss. In the far future, humanity has a remedy for everything. Whatever the problem, Pharma Corps has the answer and a designer disease tailored to every human's blood-type. Zanzibar Hashtag has no need to be sad, scared, stressed, or depressed ever again. That is, until vicious aliens arrive on her space station intent on opening its Vault. What will it mean for the human race if the Sycorax take control of what's inside? And when the Seventh Doctor arrives on the scene, can he convince Zanzibar to care about her life long enough to help him? 1.4 THE SONTARAN ORDEAL by Andrew Smith. An instant of the Time War brings centuries of conflict to the planet Drakkis, and the Eighth Doctor is there to witness the terrible results. A Sontaran fleet, desperate to join the epic conflict, follows in its wake to take advantage of the fallout.
