This double-sided, laminated road and travel map covers Romania at 1:750 000. Bold hill-shading represents the relief and some spot heights are included for significant peaks. The map shows the road network throughout the country, indicating road types from motorways all the way down to minor roads with distances also shown. Railways, administrative boundaries, and national parks are marked, and symbols highlight various places of interest, including campsites, spas and beaches, World Heritage sites, folk museums, wooden churches, ports, border crossings etc.

The legend is in 5 languages including English, an extensive index is included. Due to its lamination, the map is waterproof and tear-resistant, durable enough to survive time spent in the rucksack, pocket or on a restaurant table. It is double-sided to provide the best balance between a good scale and a convenient sheet size (size 100 x 47 cm / 39.5 x 18.5 in).
