**Discipleship Essentials**

*A Foundation of Faith* examines the essentials of salvation, biblical authority, worship, fellowship, and the Trinity.

*A Foundation of Faith* is one of five solid, biblical, five-week group studies--excellent for strengthening those established in faith and grounding those new to it. The five group studies are non-sequential and can be studied in any order.

Each study's five chapters are relevantly designed to be read and considered by group members during a week, followed up by discussion when the group gathers. These are powerful, spiritually foundational tools for deeper discipleship.
