All Children Have Different Eyes: Learn to Play and Make Friends....Starring Tommy with Nystagmus (wobbly eyes) and Wendy with Strabismus (crossed eyes) Edie A. Glaser, Maria Burgio
All Children Have Different Eyes **is a beautifully illustrated storybook that models for children with visual impairment how to confidently and competently play and make friends while facing difficult social challenges, such as how to answer questions about their condition, enter play groups, and handle their limitations responsibly. Over 40 examples and activities transform the engaging stories into an interactive workbook for use by parents and teachers. Classmates will also learn to become better friends and playmates when they discover why children with visual impairment see and play in different ways. A glossary for kids and resources for adults complete this valuable resource in every child's social development.**
