Everywhere and Every Way (The Billionaire Builders Book 1) Jennifer Probst
Hot on the heels of her beloved Marriage to a Billionaire novels, *New York Times* bestselling author Jennifer Probst nails it with the first in an all-new sexy romance series featuring red-hot contractor siblings who give the Property Brothers a run for their money!

Ever the responsible eldest brother, Caleb Pierce started working for his father's luxury contracting business at a young age, dreaming of one day sitting in the boss's chair. But his father's will throws a wrench in his plans by stipulating that Caleb share control of the family business with his two estranged brothers.

Things only get more complicated when demanding high-end home designer Morgan hires Caleb to build her a customized dream house that matches her specifications to a T—or she'll use her powerful connections to poison the Pierce brothers' reputation. Not one to ignore a challenge, Caleb vows to get the job done—if only he can stop getting distracted by his new client's perfect…amenities.

But there's more to icy Morgan than meets the eye. And Caleb's not the only one who knows how to use a stud-finder. In fact, Morgan is pretty sure she's found hers—and he looks quite enticing in a hard hat. As sparks fly between Morgan and Caleb despite his best intentions not to mix business and pleasure, will she finally warm up and help him lay the foundation for everlasting love?
