Original Sin: The Visionary Art of Joe Coleman Jim Jarmusch, Harold Schechter
Art. Artist Joe Coleman's ORIGINAL SIN contains visually stimulating and radically graphic nightmarish images. Filmmaker Jim Jarmusch, historian Harold Schechter and art critic/poet John Yau contribute essays to this extremely dark "coffin table" book. Joe's work is often compared to illuminated manuscripts because of the great detail contained within each piece. His acrylic paintings depict acts of violence, some of which even include gory details of various body parts. Both sexual and revolting, the book contains material that may not be suitable for everyone.
