Ten Little Crocodiles and the Big, Big Pond Davenna Williams Ph.D
In Ten Little Crocodiles and the Big, Big Pond, ten (10) is the magic number and croc-croc-crocodiles are the most phenomenally fun creatures in the pond. With spectacular illustrations, this children's beginning reader not only sparks imaginations, but also interest in counting and basic mathematics skills. It turns out, author and educator Dr. Davenna Williams knows a thing or two about young minds, budding students, and the importance of supporting learning in this area at an early age. Written specifically for preschool to early childhood aged children as an introduction to mathematical concepts such as counting, number sense and recognition, she creates a poetically charged and downright captivating tale about ten loveable and carefree crocodiles that will surely steal your heart. Start counting…
