Paralyzing memories of abuse . . .
A beautiful glass paperweight . . .
Escape to the wilderness.

Book 1 in The Dumont Chronicles.

A young widow is determined to leave behind her agonizing memories and take a stand for independence. She joins her aunt's home-restoration project in the wilderness, but God has set His own plans into motion. Two men enter her life, bringing both fear and joy, and in her conflict with them she finds the courage to take a new and challenging path.

THE DUMONT CHRONICLES
The Dumont family, French Huguenots, settled in southern New Jersey during Colonial days. Since then, certain Dumont women have led lives marked by adventure. Although they differed in personality and circumstances, these women held in common the gifts of artistry, courage, and a growing faith in God.

In this book, Madeleine Dumont Burke works with her aunt, Lindsey Dumont, to renovate Dumont Manor in the New Jersey Pine Barrens. The Dumont family history will impact both their lives, but for now it lies undiscovered.
