Through the year 2021, Americans will enjoy an exciting new coinage program - one that honors national parks and sites in each of the fifty states, plus our five territories and the District of Columbia. These new quarter dollars promise to be as popular as the State Quarters of 1999-2008, which introduced millions of Americans to the joys of coin collecting. In "America's Beautiful National Parks" you'll marvel at awe-inspiring panoramic photographs and stories about each park honored in the new coin series, and learn how the sites were chosen. You'll also learn about the coins themselves - how their designs are chosen, how to collect them, and which site from your state will appear on the U.S. quarter!
