This book examines the unique role of feathers and plumes used throughout the 19th, 20th and 21st century to create exclusive, eye-catching designs, and explores their wide-ranging sources of inspiration.

Focusing particularly on the Plumassiers de Paris (craftsmen famous for their expertise in the preparation and handling of feathers). *Birds of Paradise* also features classic designs worn by stars of the stage and screen, such as MarlÃ¨ne Dietrich, the Flapper Girls of the 1920s and those from the time of the Belle Époque (1871-1914) in France and Belgium, inspired by the wonderful literature, music, theater and visual art of the time.

Beautifully photographed, showcasing some of the most exquisite garments and accessories; this is the story behind their creation—from the designers, craftsmen and ultimately the people who wore them.

Text in English and Dutch.
