Mastering Logical Fallacies: How to Win Arguments and Refute Misleading Logic Mike Livingston

Discover how to verbally outwit your opponents at every turn of phrase

WARNING: You'll never watch the news, read a magazine, or view a movie the same again.

Would you like to discover the secrets politicians, lawyers, writers, religious figures, and the media use to make false arguments sound real? Do you get infuriated when a spouse or friend uses misleading words to prove their points in arguments? Would you like to **discover exactly what to say and how to say it when false logic presents itself?**

If you answered yes—then this book is exactly what you've been waiting for!

In **Mastering Logical Fallacies** you'll learn the art of effective rhetoric. We'll cover a variety of fallacies (especially the most popular ones used today) and show you how they operate with real world examples. You'll learn the secret structure—or non-structure—of some of the most pernicious and false arguments ever made. We'll also show you how to defend against such outrageous claims.

Soon enough people won't spew their propaganda around you—because they know you'll spot holes in it.
