# Monet Water Lilies: The Complete Series

*Jean-Dominique REY, Denis Rouart*

**Monet Water Lilies: The Complete Series** Jean-Dominique REY, Denis Rouart
A complete catalog of Monet’s famous *Water Lilies*, featuring 210 paintings from private and public collections. Monet devoted the last twenty-five years of his life to painting the water lilies that floated on the pond of his garden in Giverny. In capturing the reflections on the mirror-like water and the subtle interplay of light, the artist’s genius went "beyond painting," committing to his canvas the otherwise ephemeral. The *Water Lilies* brought together in this volume, are "mirrors of time" that influenced the greatest painters of modern times. A catalogue raisonné of the 251 Water Lilies known to exist, essays of art historians Jean-Dominique Rey and the late Denis Rouart, panoramic photographs of the Orangerie murals in Paris, period photographs of Giverny by Henri Cartier-Bresson, and rare archival documents complete the work.
