You want to be ready to PASS the PgMP® exam? This is the book you need to buy! The Second Edition of this Study Guide has been developed with strict adherence to PMI®'s PgMP® Examination Content Outline (ECO) and the Standard for Program Management - Third Edition. The Study Guide has two major parts: First, an introduction section provides a lot of information about ECO tasks, processes, highlights and FAQs related to the ten performance domains/subdomains. Five questions are proposed per domain/subdomain. Total: 50 questions & answers for this first part. Second, 170 questions mostly scenario-based, with strict adherence to the percentage of questions per performance domain, place you in the exact exam conditions. All 220 questions, good and bad, have answers with explanations and clear references to ECO and to the standard. The Study Guide has a handy format, smaller than most other publications, ready to go with you on your way to PASSing the PgMP® exam!
