Smart Diplomacy:Exploring China-India Synergy P S Suryanarayana

This book explores the diplomatic, political, strategic, and ideological cross-currents in the fragile but promising state-to-state relationship between China and India. Set in a geopolitical context ten years after the two Asian neighbours had agreed to fashion a Strategic and Cooperative Partnership for Peace and Prosperity, the analysis is focused on the promise as well as the portents. Looking ahead, the author envisions a sunrise idea of Sino–Indian Smart Zone as a possible post-modern scenario.
