Station 12 Mark Gallant
Station 12 is the Boston-based headquarters for the F.A.P.A. a special-ops division of the Justice Department. Its agents are highly-trained, highly-skilled operatives who work under the cover of darkness, charged with protecting an unsuspecting public from things that go bump in the night. Entangled in the realm of the occult, Brady Rizzatto and Jake Donovan (two of the department's top agents) are constantly fighting for their lives against vampires, zombies, werewolves, and any other creature of legend that might cross their path. Their adventures are chronicled here for the first time, as Brady and Jake find themselves on the trail of a renegade vampire who may hold the secret to a decades-old contagion, as well as determine if a mysterious new ally is really friend or foe.
