The B-45 Tornado: An Operational History of the First American Jet Bomber John C. Fredriksen
The North American B-45 Tornado was America's first jet bomber and was used in a number of vital missions for nearly a decade. Drawing from declassified secret documents, this history explains the bomber's use in strategic reconnaissance and atomic-weapon strike missions from its 1944 development to its role in the Cold War. The book includes numerous photographs and more than 100 interviews with pilots, navigators, and ground personnel.
