The Mozart Question Michael Morpurgo
A boy’s passion for music unlocks a painful secret — and draws his family together — in a multilayered tale by an outstanding author-illustrator pair.

Like any young boy, Paolo becomes obsessed with what he can’t have — in his case, a violin. Hidden away in his parents’ room, it beckons the boy to release the music inside it. The music leads Paolo to a family secret, a story of World War II that changed the course of his parents’ lives. But once the truth is told, the family is reunited in a way no one had thought possible. From Michael Morpurgo and Michael Foreman comes a story about sharing the joy of music from one generation to the next and about music’s power to transform and heal.
