This is a collection of poems I've written over the past few years. Some in my teens and some more recent. Those pieces I've written in my teens were at a time as I was at my lowest point and it manifested into dark, hauntingly rich poetry I've grown to love myself. My favorite in my book would definitely have to be untitled et inachevé II. It was brought on by feelings of isolation and a hunger for human interaction. That poems reminds me of how I've come and that I never want to be at that point again.
