Mussar Haskel: Courage to Change

Mussar Haskel: Courage to Change
Yeshiva Toras Chaim is proud to share the fruits of a project undertaken by our students in 1995. Known as Mussar Haskel at its inception, dedicated students collaborated to document, publish, and distribute stimulating essays adapted from the ethical discourses - mussar shmuessen - given by our Rabbeim. These essays have been distributed both to our local South Florida community and internationally via email and the Internet. Coordinating a project of this magnitude over the course of many years with a constantly changing student roster is challenging and rare. We are privileged and fortunate that it is a reality in our Yeshiva. It is with this sentiment that we hope our continued emphasis on mussar imbues the highest ethical and character standards into our students, maximizing their potential as proud leaders of the next generation.
