See What a Seal Can Do (Read and Wonder) Christine Butterworth
Follow a gray seal on a journey from sand to sea in an engaging, richly illustrated story with surefire kid appeal.

On the shore, a seal looks like a slow, dozy creature that spends its time lazing around or flumping along the sand. But underwater, it’s a different story. Splash! Seal dives deep, with a body just the right shape to shoot through the water and power down with his back flippers. He slips through a seaweed forest, and — sensing a predator nearby — dives even deeper to stay safe. Finally it’s time to make a sudden twist and turn to catch his fishy dinner. Merging a lyrical narrative sprinkled with fascinating facts and aww-inspiring illustrations, here is one nature adventure that’s hard to resist.
Back matter includes an index.
