The Dream Makers Mikey Brooks
The exciting conclusion of the bestselling middle grade fantasy adventure THE DREAM KEEPER CHRONICLES by award winning author Mikey Brooks. When Mares escapes into the world of Awake, it is left to Gladamyr and his teen bonds, Parker and Kaelyn, to stop him. They must return the most evil nightmare ever to exist back to Dreams before the barrier between the two worlds crumbles and darkness reigns forever. But to do so, Parker and Kaelyn must heal broken friendships and unite an army of children who are brave enough to conquer their fears. "The Dream Makers is beautifully written, heart-wrenching, exciting and, ultimately, perfectly satisfying. This is a story for all ages, young or old, because no matter how old we are, we are all still dreamers." ~Alex Banks, author of Jump Boys SOS and The Swift "The Dream Makers is a breathtaking conclusion to an incredibly inventive series! As an educator, there's nothing I like better than handing a child a book full of imagination and adventure that will keep kiddos reading way past their bedtime . . . and that's a good thing." ~Shauna E. Black, author of Fury of the Storm Wizard "Uniquely imaginitive and very creative...I will be recommending it to all my middle grade and young adult friends!" ~The Kindle Book Review "I'd recommend this book for its imagination and adventures!" ~Camp Half Blood Reviews "This is an adorable middle-grade novel that has a little bit of everything-adventure, fantastic worlds, a hero's quest, and romance." ~Amazon Reviewer
