The Glass Affair (Frank Knott crime/adventure series) (Volume 4) Wayne Epperson
Private investigator Frank Knott is the kind of guy you want on your side when you've got troubles. Provided you are on the right side of the law. Frank doesn't entertain matters on a gray scale; he sees everything in black and white. And the actions he takes for the sake of justice are never reversible. In this fourth book of the series, the character starts out wanting to keep a positive attitude while building a legitimate business. But then hell delivers a punch in the gut -- the kind that triggers an explosion of emotions within Frank --and the bodies start piling up.
