The Power of I Am...So I Can: How to Use Your Life Experiences to Drive Your Life's Legacy Iain Macfarlane, Reji Laberje
LEARN FROM THE POWERFUL EXPERIENCES OF A DRIVEN AUSSIE MAVERICK BUILDING A LEGACY. "The Power of I Am . . . So I Can" explores an almost unbelievable memoir of life experiences from sheep farming at age four to Iain's coaching career more than six decades later. Moving from the Australian Outback to being a CEO in the U.S. required discovering the life lessons from each of his incredible experiences and applying them to the creation of tools and guidelines for results and legacy-building. Working with a dog to herd sheep was about the power of delegation. Training at the East-West Center in Hawaii taught the power of cultural, rather than linguistic, communication. Hitchhiking across Asia and India opened Iain's mind to powerful commercial choices to improve world economies and - his most powerful tool - a PRESENT-FUTURE Mindset helped to forecast wins from Heinz to Harley-Davidson Dealers and countless others between. Iain's rich narrative is an interactive text, with QR codes leading to audio, video, articles, resources, and more. It may read like fiction, yet it will leave you with the resources you need to build a real-life legacy of professional and personal prosperity.
