The Voyeuristic Landlord: Debauched Dorothy Putting on a Show Anonymous

Kneeling in servile debasement in front of her landlord... Dorothy almost forgot the circumstances that had brought her to her present humiliation. She began to concentrate totally on the task at hand. And as soon as she let herself do that, she became enthralled... Never in her life had she seen one like this. Imagine what it would do to her...!

The thought made a little lewd tingle ricochet down her spine. Then she reminded herself who this man was and what he had done to her. For a moment the tingle abated. But as soon as her guard was down, it began again. It was impossible for Dorothy to be this close and not to respond. Lechery was in her blood. As soon as she surrendered to the big man, gave up the hate she had been feeling, she left herself wide open to the kinds of feelings she would have preferred to reserve for her selected boyfriends.

...but Dorothy had a very rebellious body. It was that that had gotten her into trouble in the first place.

When Walt espies his nubile young lodger taking extra-marital liberties with her boss, and others, the mature gent sees on opportunity to sate his lust as well as her horniness. Long as he watched Dorothy lasciviously cavorting with a string of lovers in her husband's absence, but this time it would be he who would partake in her wanton ways. And how could Dorothy resist?

It is not long before our lusty protagonist and aging voyeur are whipped up into a libidinous frenzy. And when Walt's stamina gives out.. or when he prefers to watch, well, maybe he can find some hard bodied studs to take care of her while he retires behind a one-way mirror to peruse the debauched spectacle. So is born a very lewd and mutually beneficial arrangement.

Replete with MMF menages, lesbian tribadism, cuckoldry, and all manner of voyeuristic deed and device, front and rear, in between, this uncompromisingly graphic read will be sure to satisfy.
