ASE Test Preparation - Truck Equipment Test Series: Truck Equipment Installation and Repair, Test E1 Cengage Learning Delmar
Start an ASE training regimen that is focused, thorough, and will prepare you for success, using this new test preparation guide from Delmar Learning. Concentrating on the very latest truck equipment installation and repair task list released by the ASE, this book provides the tools readers need to get ready for the certification exam. It begins with a history of the ASE and progresses to include guidelines, techniques, and strategies for taking and passing ASE certification exams. An overview of the task list follows, detailing the most recent procedures used to properly install, diagnose, service, and repair truck equipment and related support systems. At the core of the book's training methods are the ASE-style practice questions and answer rationales, which allow readers to apply their knowledge and practice putting it to use in a format that mimics the certification testing environment.
