A Miles

Cell Wars: In the Beginning A Miles
** SILVER MEDAL winner of The Wishing Shelf Independent Book Awards 2014 ** **Shortlisted in the International Rubery Book Awards 2014."An ingenious idea that teaches children about the blood system..delightfully illustrated."** **5 Star review 'Readers' Favourite "Very original and innovative and children will love reading it."** An illustrated, fictional story that teaches children of all ages about science and Biology. All the cells are characters and the setting is inside the human body. A creative and informative book for students studying Biology (especially the cells, viruses and bacteria, the immune system, blood vessels and the transport of oxygen and carbon dioxide) or younger children interested in Biology and the body. Bands, a young white blood cell, wants to join the other blood cell soldiers, fighting bacteria and viruses in the body. Unfortunately for him, he's still training at the Bone Marrow school where all blood cells are born. Join Bands in his adventures in the body's veins and arteries and see if the mission to find and kill the deadly bacteria is successful. 'Cell Wars' was recently awarded a silver medal in The Wishing Shelf Independent Book Awards and was shortlisted in the International Rubery Book Awards 2014. A chapter book for 7 - 99 year olds, combining scientific facts about the blood system in the body in a fictional adventure story. The book contains a map and glossary at the back. "Cell Wars" is the war our body fights every day!

From reader reviews:

Margaret Barone:

Information is provisions for anyone to get better life, information presently can get by anyone from everywhere. The information can be a information or any news even a concern. What people must be consider while those information which is within the former life are challenging be find than now could be taking seriously which one would work to believe or which one the actual resource are convinced. If you have the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Cell Wars: In the Beginning as the daily resource information.

Detra Satterwhite:

Reading a reserve tends to be new life style in this particular era globalization. With studying you can get a lot of information that can give you benefit in your life. Having book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. Plenty of author can inspire all their reader with their story or perhaps their experience. Not only situation that share in the ebooks. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors in this world always try to improve their skill in writing, they also doing some study before they write with their book. One of them is this Cell Wars: In the Beginning.

Katrina Frey:

People live in this new day of lifestyle always try and and must have the time or they will get lots of stress from both everyday life and work. So , whenever we ask do people have spare time, we will say absolutely indeed. People is human not a robot. Then we ask again, what kind of activity are you experiencing when the spare time coming to a person of course your answer will certainly unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative inside spending your spare time, typically the book you have read will be Cell Wars: In the Beginning.

Donna Willeford:

E-book is one of source of information. We can add our information from it. Not only for students but also native or citizen have to have book to know the update information of year to help year. As we know those books have many advantages. Beside we all add our knowledge, can bring us to around the world. By book Cell Wars: In the Beginning we can acquire more advantage. Don't you to be creative people? To get creative person must want to read a book. Merely choose the best book that suitable with your aim. Don't always be doubt to change your life with that book Cell Wars: In the Beginning. You can more pleasing than now.
