Flowers: A Universe Revealed 2006 Calendar

Flowers: A Universe Revealed 2006 Calendar
The stunning photography of Christopher Gruver presents a wildly beautiful and vivid experience of the universe of flowers. An avid lover of nature and the outdoors, Christopher’s work marries skill with instinct. Drawing on his intuitive link to aesthetic and essence, Christopher creates striking compositions that reveal the delicacy and vibrancy of nature. Each month is accompanied by a poetic interlude connecting our human voyage with the living intimacy of a flower.

Sample Caption:

Do not look for anything behind phenomena.
They are themselves their own lesson.
—Goethe
